Lifeline of Ohio – Organ, eye and tissue donation is a true act of charity and love, which are major tenets of Christianity. In fact, all major religions – including Roman Catholicism – support it. His Holiness Pope Francis described the generous gift of donation as “a testimony of love for our neighbor.” Today, there are more than 123,000 individuals in the United States whose lives depend on the kindness of strangers for their second chance at life. Sadly, on average, 22 of those people die each day because the organs they need are not donated in time. As we celebrate our Holy Father’s historic visit to the United States, let us reflect on the life-giving virtues of organ, eye and tissue donation. In this spirit, Donate Life America urges all to register in honor of our Pontiff and his message of charity and love. Registering as a donor is fast and simple – visit www.linelineofohio.org today.

A Child Changes Your Life! Motherhood and fatherhood are a gift of God, but to accept the gift, to be astounded by its beauty, and to make it shine in society, this is your task. Each of your children is a unique creature that will never be duplicated in the history of humanity. When one understands this, or that God wanted each one, we are astounded by how great a miracle a child is! A child changes your life! We have all seen—men, women—that when a child arrives, life changes, it is another thing. A son or daughter is a miracle that changes life. ~Pope Francis, Address to the Italian Association of Large Families, December 28, 2014

Weekend of October 31 and November 1, 2015, All Saints Day – Listening to Jesus preach the Beatitudes is strong indeed for All Saints Day. The present state of affairs for believers may include poverty, broken spirit, persecution and mourning. Blessed are they, Jesus says, but clearly not because of their circumstances.

Their blessing lies in being a part of the kingdom of God that exists both in the present and in the future. The verbs “are” and “will” indicate that God is at work in the present world, bringing the kingdom to completion. Those within the present kingdom of God who “are” in difficult circumstances “will be” blessed when God brings about the new creation.

Their hope, however, is not merely a future one. It occurs in the present because such people are found living according to the values of God’s kingdom. These are good stewards of their faith who are humble and poor in spirit, merciful, peacemakers, pure in heart, and who endure mockery or harm for Jesus’ sake. The kingdom of heaven is for all good stewards not only in the future, but in the here and now.
