Support the Catholic Home Missions Appeal today! Right now, over 40 percent of dioceses in the United States are considered home mission territory because they are unable to fund the essential pastoral work needed in their communities. Your support funds programs, such as religious education, seminary formation, and lay ministry training, to build vibrant faith communities right here in the United States. Please be generous. More information can be found at www.usccb.org/home-missions.

Walking with Purpose helps women know Christ: to know His heart – to know His tenderness – to know His mercy – to know His love.

Walking with Purpose endeavors to meet you where you are on your spiritual journey, guiding you to a deep, lasting transformation of the heart and a deeper personal relationship with Jesus Christ.

We believe that change happens in the hearts of women – and, by extension, in their families and beyond – through Bible study. **Opening Your Heart** is the natural first step for all participants, regardless of previous experience with Bible study.

Today, Walking with Purpose is active in over **250 parishes** in the United States, Europe, and Canada and has helped thousands of women deepen their relationship with Jesus Christ. 97% of participants report that their prayer life is improved, 97% say their relationship with Christ is stronger, 92% would recommend WWP to a friend because it works.

For more information go to www.walkingwithpurpose.com.

This past year (September-April) St. Luke's offered the foundational bible study, 'Opening Your Heart,' Monday mornings from 9:30-11:00am. We had five groups and 45 women who participated and we provided child care.

For 2018-2019, we plan to offer both morning and evening studies, Monday mornings 9:30-11 and Tuesday evenings 7-8:30, beginning in September. For those who have finished 'Opening Your Heart,' we will offer 'Keeping In Balance.' It is hoped that adding the evening studies will allow working mothers to participate. We also hope to offer OYH for young adults Tuesday evening. Please watch the bulletin for more information, or call the parish office 470-599-6362, Judy Hedge 740-398-4549, or Joann Campanelli 740-599-6097. If you and a friend would like to register together to be in the same group, just mark it on your registration form.

Catechism of the Catholic Church 1375: It is by the conversion of the bread and wine into Christ’s body and blood that Christ becomes present in this sacrament. The Church Fathers strongly affirmed the faith of the Church in the efficacy of the Word of Christ and of the action of the Holy Spirit to bring about this conversion. Thus St John Chrysostom declares: It is not man that causes the things offered to become the Body and Blood of Christ, but he who was crucified for us, Christ himself. The priest, in the role of Christ, pronounces these words, but their power and grace are God’s. This is my Body, he says. This word transforms the things offered. Be convinced that this is not what nature has formed, but what the blessing has consecrated. The power of the blessing prevails over that of nature, because by the blessing nature itself is changed...Could not Christ’s word, which can make from nothing what did not exist, change existing things into what they were not before? It is no less a feat to give things their original nature than to change their nature.
