Catechism of the Catholic Church 2015, 2029: The way of perfection passes by way of the Cross. There is no holiness without renunciation and spiritual battle. Spiritual progress entails the asceticism (the practice of Penance) and mortification that gradually lead to living in the peace and joy of the Beatitudes: He who climbs never stops going from beginning to beginning, through beginnings that have no end. He never stops desiring what he already knows. *“If any man would come after me, let him deny himself and take up his cross and follow me”*
