October is Respect for Life Month: The essence of our identity is that we are created in God's image and likeness and loved by Him. Nothing can diminish the priceless worth of any human life. Every person is *cherished*. God creates every person for eternal union with Himself and continually invites us to embrace a loving relationship with Him. Every person is *chosen*. We are called to be messengers of God's love, treating one another as cherished and chosen by Him. In doing so, we help build a culture that respects all human life. Every person is *sent*.

Catechism of the Catholic Church 1849: Sin is an offense against reason, truth, and right conscience; it is failure in genuine love for God and neighbor caused by a perverse attachment to certain goods. It wounds the nature of man and injures human solidarity. It has been defined as “an utterance, a deed, or a desire contrary to the eternal law.”
